

Product Information Sheet

Bison

We offer bison pellets that are very popular in the feeding programs of many of our customers.

- Bison Finisher 14% protein
- Bison Backgrounder 13% protein
- Bison Grower 12% protein

WCP pellets are designed to feed bison of all ages from backgrounding to finishing. These pellets can be plain or also come with a vitamin/mineral package.

Please call for further information on package options and pricing.
